# Align With Industry Safety

CGA's Annual Meeting is the largest technically focused gathering of industry subject matter experts and features a multi-day program with engaging speakers, invaluable networking opportunities, and technical committee meetings that play a crucial role in advancing safety across our industry.

With more than **400 attendees**, last year's Annual Meeting was our largest and most successful meeting to date. **We hope to continue that momentum at this year's event.**

Directly engage with an audience of influential industry leaders and align yourself with CGA's safety focus.

**“WELDCOA has been a proud sponsor of the Annual Meeting for 7 years! We find huge value in aligning ourselves with CGA’s safety mission, and the Annual Meeting has led to increased visibility and sales for our business.”**

Melissa Heard, Marketing Director  
WELDCOA
