About CGA Events

Sponsorship on another level

By sponsoring our events, you're not just investing in a one-time opportunity; you're investing in long-term growth and success for your company. Let's work together to create a partnership that drives value and achieves your business objectives.

Thought Leadership

Position your company as a thought leader by participating in panel discussions, workshops, or keynote sessions. Share your expertise and insights with a captive audience, enhancing your companies reputation and credibility.

Message From the CEO

Richard Gottwald

President and CEO

CGA®

Sponsoring CGA events offers unparalleled opportunities to support industry safety and innovation while enhancing your brand's visibility.

- ✓ Expand industry visibility through targeted sponsorship exposure.
- ✓ Foster valuable connections with key decision-makers.
- ✓ Showcase leadership in safety and innovation to stakeholders.

Dear Prospective Sponsor,

As we approach our 112th year, the Compressed Gas Association (CGA) continues to uphold its reputation as a global leader in the industrial, medical, and food gases and equipment industries. We proudly collaborate with our 165+ member companies and 20+ association partners to establish safety standards and promote continuous improvement in our industry's best practices.

Throughout the year, CGA hosts a wide array of summits, meetings, webinars, and other programs designed to disseminate critical technical and safety information while fostering discussions among our members and customers.

These events present a unique opportunity for your company to directly engage with an audience of influential industry leaders and align yourself with CGA's safety focus.

Sponsoring CGA events provides several benefits for your company. You will support the essential work of CGA, foster goodwill among CGA members, and elevate your organization's visibility within our community and among event attendees. Since 2020, our events have attracted over 10,000 attendees from all industry sectors.

As a sponsor, you will enjoy numerous advantages, including showcasing your products and services to potential clients, branding opportunities, and recognition at major meeting functions. With participants spanning all levels of leadership, this is your chance to connect with the driving forces of our industry.

Join us in our mission to advance safety and best practices within the compressed gas industry. Together, we can achieve remarkable progress.

Warm regards,

Rich Gottwald
President and CEO
Compressed Gas Association

Silver

Canada Annual 2025

The CGA Canada Annual Meeting brings together industry leaders, technical experts, and key stakeholders from across Canada's compressed gas sector. This premier event gathers CGA Canada's committees and thus provides a unique platform for members to discuss critical industry issues, regulatory updates, and advancements in safety standards.

The meeting will feature a blend of a keynote presentation, interactive discussions, and in-depth committee sessions, offering valuable insights on emerging technologies, innovations in gas safety, and the evolving regulatory landscape.

Key topics expected to be highlighted include hydrogen safety, specialty gases, and new developments in compressed gas equipment and technology. The event underscores CGA's ongoing commitment to enhancing safety, innovation, and operational excellence across the industry, ensuring members are well-prepared for future challenges and opportunities.

We are seeking sponsors for the 2025 Meeting! As a sponsor you will help us ensure that this important meeting continues and grows.

Sponsorships:

Gold: \$3,000

Silver: \$2000

Bronze: \$1,000

All sponsors will have their logo included by tier on conference emails, signage, and general session slides. Gold and Silver sponsors will receive a 6 foot exhibitor table to showcase your company and products/services to the meeting attendees.

Technical Webinars 2025

CGA hosts a wide range of webinars and small events throughout the year which provide content on a single area of focus. These events have received strong feedback from attendees, and our sponsors enjoy the chance to position themselves as a leader on a specific topic.

2024 Webinar Rating: 4.8 Stars Average

- **January:** Putting H2 Systems (into Service & H2 System Safety Considerations)
- **March:** National Women's Month: Women in the Industry
- **May:** Cylinder Valve
- **June:** National Safety Month
- **November:** Safe Use of Refrigerated & Cryogenic Liquids

Webinars added throughout the year!
Sponsorships available for \$5,000
